

# Grandmaster Lee's TKD Guidelines for a Safe Class

1. Students are dropped off at the front Door. Parents please wait in the car. (Mask, Uniform, and Belt should be Worn at all times.)

2. Temperature will be check using a non-contact forehead thermometer.

3. Wash your hands. (Use hand sanitizer)

4. Stay in waiting spot during cleaning. (Between every class we will disinfect)

5. Train with social distancing of 6 feet in your designated training square.

6. After class wash your hands with hand soap.

1. **EVERYONE MUST WEAR A MASK.** Students and families will be required to bring their own masks.
2. We will perform daily **temperature checks** for every student/visitor upon entering our school. **If you're feeling sick, stay home.**
3. We will **disinfect** our training floor, surfaces, and equipment **BEFORE AND AFTER EVERY CLASS.**
4. We will **limit the number** of students per class AND increase the distance between them. **Sign up the class.**
5. We will limit the number of family members who can enter the school to ONE per child.

If there is any more than one family member or caretaker per student, we kindly request that you wait outside or in your car.

6. Students are asked to **wear their uniform BEFORE arriving** to class.
7. Students, families, and visitors are asked to **use our restrooms in urgent situations only.**

We kindly ask that **you GO BEFORE you to come to the school.**

8. Students must set their attendance schedule with Masters in advance.

Please pick your top 3 time slots, this will help us select the 2 that will work best for the school and families.

**PLEASE STICK TO IT!** If you wish to change your time(s) and/or make-up a missed class, you must check with Masters first since there are a limited number of spots per class, per day. (Note: students may attend 2 classes per week)
